

PrestiVac™

VACUUM MODEL EV1-10 EX DIVISION 2 RCT HEPA DUST IGNITION PROTECTED

- ☐ POWERFUL SINGLE MOTOR
- ☐ SINGLE PHASE 120V – 365 PEAK AIR WATTS
- ☐ STAINLESS STEEL
- ☐ HEPA^{Plus*} FILTRATION 99.995 % @ 0.2 MICRON
- ☐ STATIC DISSIPATING ESD SAFE
- ☐ RCT REMOVABLE COLLECTION TANK
- ☐ 3 YEAR WARRANTY

Dust Ignition Protected Electrically Operated Industrial Vacuums

Picture shown Actual product may vary. is for illustration purpose only.

PrestiVac dust ignition protected vacuums are designed to safely vacuum flammable, combustible dusts. Our dust ignition protected vacuums are completely grounded and static dissipating because they are built entirely with non-sparking metals and do not have any painted components so there is no risk of fire or explosion from a spark or static build up. All the electrical components, including the motor and starter are protected by enclosure so there is no source of ignition.

Absolute HEPA^{Plus*} filtration with an efficiency of 99.995% @ 0.2 micron captures all the hazardous dust and ensures the exhaust air is clean, keeping the operator and the environment safe from exposure and contamination.

This unit meets all NFPA codes and requirements for:

Class II Division 2 Groups F & G Hazardous Locations as defined in the National Electric Code (NFPA 70)
EPL Dc (Equipment Protection Level)

PrestiVac™

Industrial vacuum cleaners for contamination controlled environments & hazardous locations

Features:

- Single Phase – Powerful Motor
- Stainless Steel construction makes it a solid unit that is easy to clean
- Automatic Filter Shaker
- Static dissipating ESD safe
- Complete with static dissipating suction hose and accessories
- RCT Removable Collection Tank system makes it easy to empty and clean
- Stainless steel storage bin for hose and accessories
- Quiet operation with only 72 dB

Filtration System:

- Multi-stage filtration for maximum performance and efficiency □ Washable Conductive ESD safe filters
- HEPA^{Plus*} Filtration with an efficiency of 99.995% @ 0.2 micron

Specifications:

- 365 Peak Air Watts
- 110" H₂O Vacuum Pressure
- 100 CFM
- Dry Collection Only
- Collection Capacity 10 gallons (44L)
- 120v, 50/60Hz, 8A, 1020 Watts

Included Accessories:

- Static Dissipating suction hose assembly 1.5" x 10'
- Crevice tool
- Round brush
- Double Bend wand
- Floor Tool
